

# MORE THAN 75% OF OUR WASTE CAN BE SORTED AND RECYCLED

## IN THE YELLOW BIN

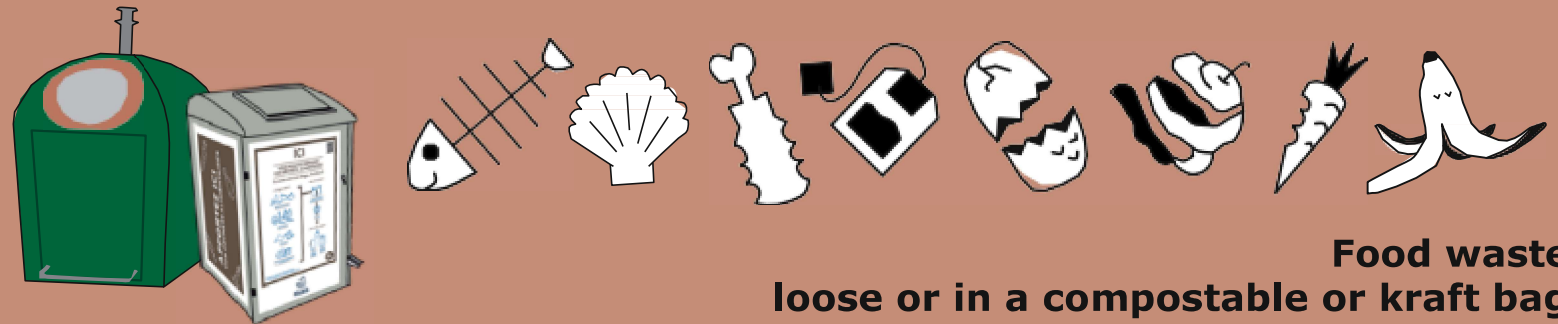

**Paper, cardboard, metal and plastic packaging, Separated from each other and without bags.**

## IN THE WHITE BIN

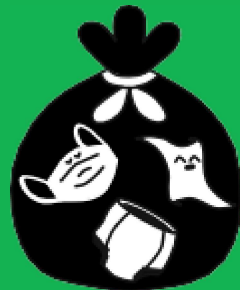

**Glass bottles, jars and pots, well emptied.**

## IN A BROWN BIN

**Food waste, loose or in a compostable or kraft bag.**

## IN THE GREEN OR GREY BIN

**What remains after sorting. Before disposing of waste in this bin, check that it does not need to be sorted.**
